

Knoll

Tugendhat™ Chair

Designed in 1929, the Tugendhat™ Chair shares the groundbreaking simplicity and meticulous attention to detail that Ludwig Mies van der Rohe also brought to his iconic Barcelona and Brno chairs. Offering the comfort of a lounge chair but in an exquisite cantilevered form, this chair, like the Tugendhat Villa for which it was designed, showcases Mies' ability to simultaneously refine and humanize objects and environments.

Designer Ludwig Mies van der Rohe

Benefits

- Cantilevered frame offers a relaxed sit
- Invites movement and ease as it gently bounces with the sitter
- Leather strap back adds support and visual interest
- Thick comfortable cushions offered in fabric and leather

Warranty 5 Years
